LSP (Lake Shore Products) Winch Box

Blue Drum

If you have an LSP Lift, there are three different installation kits available. The kit depends on the drum's color (blue, red, or black) inside the winch. The drum is the part the cable from the lift wraps around.

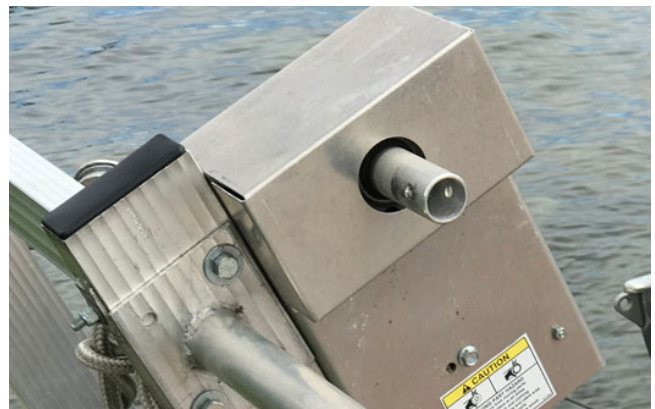

Part Numbers:

Kit-Blue Drum is for a Blue Drum

Kit-Red Drum is for a Red Drum

Kit-MC is for a Black Drum

Newer LSP winch boxes will have a black drum. Like the picture below.

High and Dry Winch Box

If you have a High and Dry Lift and the winch looks something like this on your boat lift, it takes the High and Dry kit.

Part Number Kit-H&D
